Dear Town Councillors,

The below consultation from the County Council's Adult Health & Commissioning Services was discussed at this week's Planning Committee meeting.

Considering this may be of interest to more Councillors than just those on the Committee, it was decided to defer this to the upcoming Full Council meeting.

This email is to give a heads-up in case people wish to start looking into this in advance of this item appearing on the next FC meeting agenda. Report and further information can be found by clicking on the link in below email.

Kind regards,
Mark

Subject: Care Together - New Approach to Day Opportunities for Older Adults

Hello,

I hope you are well today.

The Care Together team would like to hear your views on our new approach to day opportunities for older adults (65+) in Cambridgeshire.

An approach has been developed from what people have already told us, but we need to make sure we have considered all the possible affects this might have on people.

Please give us your views via our formal consultation <https://consultcambs.uk.engagementhq.com/a-new-approach-to-day-opportunities> and please do share this information widely. You may wish to include it on your village Facebook page noticeboard.

I would be happy to deliver some printed copies of this survey for distribution on request. Printed copies will be accompanied by a prepaid return envelope.

Kind regards

Leneva Nwachukwu
