Hi Mark

Not sure if you have received the below, but the team informs me that Northstowe are welcome to apply with volunteers, however because there are no grit bins around this area at present the Parish Council would need to purchase some grit bins in the first instance. Is that something we need to consider for Northstowe, I assume we will have to get permission from L&Q.

Have copied in Richard and Paul for their information.
Kind regards
Firouz

Subject: Community Gritting Scheme applications for Winter 2021 - 2022

(Sent to all Parish Clerks on 16th August 2021)

Dear All,

This is a request for winter volunteers for this winter season 2021-2022.

We would like to take this opportunity to say a big thank you to all the volunteers that took part in our Community Gritting Scheme last winter.

For those hearing about the Community Gritting Scheme for the first time, this is a scheme where Local volunteers can help to keep their community moving in freezing weather. Under this scheme, the parish or town council decides on specific routes in their area which are important to the local community and agrees them with the county council.

If you are a parish or town council looking to join the scheme, please send your completed form by 31st October 2021.

I will need a form for each of your volunteers, including those who have volunteered before. The form is required annually ensure our health and safety standards are being met.

See below for a link to the Community Gritting registration form:

If you spot a grit bin that is empty or running low, please let us know through our [online reporting tool](#).

I look forward to hearing from you.
