

Northstowe CDOs Report for November 2023

Northstowe Community Forum 24 January 2024

We are hoping to have flyers distributed to all residents with the dates of the forums for 2024 in January next year. The dates are as follows: 24 January, 8 May, 11 September, 4 December.

Christmas Traditions from around the Globe

As part of the Cultural Exchange Café, the CDOs are organising a Christmas Traditions evening on Thursday 7 December during the Community Lounge. There will be a quiz, arts and crafts, games while listening to Christmas carols.

Occupation Counts

We have recently completed a new occupation count and are pleased to advise that the first occupant has now moved into the Keepmoat development in Phase 2. Two more parcels have now been completed, these are H9 and H6. We were also advised by L&Q that construction work is set to recommence within the next two weeks on Parcel 5.

Northstowe Community Networkers

CCVS have been invited to attend the next Networkers meeting in December to provide advice on volunteering which will be useful to all community groups.
