

Northstowe CDOs Report for January 2024

Northstowe Community Forum 24 January 2024

Flyers were distributed to all Northstowe and Rampton Drift residents with the dates of the forums for 2024. The reverse side of the flyer promoted the Western Park Sports Pavilion. The next Forum will be Wednesday 8 May.

Winter Festival has had a large variety of events and activities with involvement from many community groups. It takes place from November until February. As part of the festival, The CDOs have organised a Christmas Quiz at the Community Lounge in December which was great fun. The festival continues, please check the Winter Festival page which can be accessed via the Northstowe Community website for all the events that are scheduled to take place until the end of next month. We look forward to celebrating and attending the Mother Language Day organised by Northstowe Hub on Saturday 24 February.

Northstowe Community Networkers

The Networkers meeting focused on events that are being planned for 2024. Dates for Light Up Northstowe, Saturday 23 November, and Beer and Carols, Friday 20 December, have been submitted and added to the Northstowe calendar. Light Up Northstowe will be led by a working group.

Menopause Café

We are hoping to start a menopause café at the Cabin. At the moment, we are in the initial stages of discussing how and when it could be run, and how it will be funded. It will mainly be a 'Get together group' but will hopefully have guest speakers at a later date.
