

CAMBRIDGESHIRE COUNTY COUNCILLOR REPORT

LONGSTANTON, NORTHSTOWE & OVER

COVERING OAKINGTON & WESTWICK

MARCH 2022

CLLR FIROUZ THOMPSON – COUNTY COUNCIL REPORT

HIGHWAYS

HIGHWAYS QUARTERLY MEETING: A meeting was held on Friday 4 February, next planned meeting will be held in May, I will contact the Parish Clerks to arrange the next date.

HOMES ENGLAND WORKS TO BE COMPLETED:

NORTHSTOWE NEW SOUTH ACCESS ROAD WEST (SARW) TIE IN CONNECTION TO B1050:
Weekend of 4-6 March: all carriageway surfacing to roundabout approaches completed, all permanent white lining is complete, the street lighting has been completed as you travel from Longstanton towards the A14 and will be turned on soon, once testing and commissioning has been completed. Finishing works will take on the verges and to the cycleway / footpath and the temporary traffic lights have been removed. South Access Road West is due to open in the next few months.

NORTHSTOWE EDUCATION CAMPUS: Works due to complete outside of Northstowe Secondary School, Martin Bacon Academy and Urban Splash Homes in the next few months.

RAMPTON DRIFT BYWAY: Path from Rampton Drift to Stirling is due to be completed in the next month. The section from Stirling Road to Busway surfacing will be half hard top for pedestrian/cyclist and the other half will be soft surfacing for equestrians.

REYNOLDS DROVE: Resurfacing work will commence on 28 March for 2 weeks (weather permitting). The surface will be dressed using 10mm and 6mm aggregate. A 3mm granite dust will then be swept into the surface dressing to fill the small voids and provide a smoother surface which will be suitable for pedestrian, cyclists and equestrians.

WILSON'S ROAD BRIDLEWAY RESURFACING: works was completed mid-October. As this is a new innovative surfacing for our county, we are very keen to engage and work collaboratively and will be offering a site inspection after 6 months to all the members of Cambridgeshire Local Access Forum and Longstanton Parish Council. This new surfacing will benefit the local community and be truly inclusive for all abilities of walkers, horse riders, ramblers, cyclists, wheelchair users and pushchairs. **Please do try out this new surfacing and feedback to me on the email address below as 6 months will be up in April.**

DEFECTS ON AND OFF RAMPS OF THE BRIDGE OVER THE A14 GOING TO BAR HILL: We have had several reports of what sounds like a serious defect. Both bridge expansion joints where the bridge join

the road surface have subsided causing 'ramp' like subsidence – causes big bang and jolt cars. The bridge has been adopted by CCC from National Highways as part of the ongoing A14 handover. At the time of handover, the defect at the joint was not apparent. We are monitoring the problem and have erected signs to warn drivers. It looks like it is a defect in its construction and/or design, and we are investigating the cause so we can organise a permanent repair. Our initial thoughts are that it is subsidence of the made-up ground at the point it meets the bridge. This can occur in new structures as the new ground settles over time but is not usually by so much in this short time. We are in discussions with National Highways on the best way of repairing.

HATTON'S PARK PEDESTRIAN ZONE

Proposal to make permanent the closure of Hatton's Park, after a temporary road closure (pedestrian and cycle zone) which run between 7 September 2020 – 6 March 2022

Cambridgeshire County Council (CCC) proposes to make an Order under Sections 1(1) and (2), 2(1) to (3) and 4(2) of the Road Traffic Regulation Act 1984 and of all other enabling powers and after consultation with the Chief Officer of Police in accordance with Part III of Schedule 9 to the Act the effect of which will be to: Pedestrianize Hatton's Park, Longstanton.

Motor vehicles will be prohibited between the hours of 8.30-9.00am & 3.15-3.45pm, Monday- Friday during term time only.

Explanatory Note: The highway contained within this order will become pedestrianised to improve the safety of children, parents, and staff at the local nearby school at peak times.

Access will still be available for residents, emergency services, deliveries, managed by the volunteer wardens during these times

Link to the Traffic Regulation Order: <https://tinyurl.com/yckdt5xm>

Please note: Press notice was published in the Cambridge News on 12 Jan 2022 and all of Hatton's Park residents received a letter. The dates of closure were published wrong therefore CCC have extended the proposal date to 16 March 2022. During the temporary order, Cambridgeshire County Council did not receive any complaints.

Hatton Park School has worked extremely hard to promote safe and active routes to school. Many children walk, scoot or cycle to school. They have worked with the local community to implement many different strategies that keep our children safe on the way to/from school. They are very proud to have achieved Gold Standard school for supporting sustainable travel and are aiming for Platinum.

We ask that you take a look at their website and see the actions for all the queries raised by residents, the latest travel plan dated Feb 2022, can be accessed at the bottom of their page.

<https://www.hattonpark.org/hatton-park-travel-plan/>

Their latest Walking Bubble plan is to [#StaySafeGetActive](#), the Junior Travel Ambassadors are promoting how far away from school a 5 minutes' walk is (see below)

The Travel Ambassadors meet weekly with the Headteacher to ensure actions are followed up.

Hatton Park being a Gold standard is exemplary for schools in Cambridgeshire, my fellow colleagues and myself at CCC are very proud of their great work and often refer to the work that Anthony Aguda (Head Teacher) and his team are undertaking. We should be proud of what they have achieved.

We understand that parking around Thornhill Place, Prentice Close, High Street, Hatton's Road becomes difficult during peak times, we also understand that many parents drop their kids to/from work.

If we could ensure that parents look to park that little further away from these areas and walk some of the way this would help greatly. All in all, we are hoping that for that 30mins each side of the school day we could work as a community to ensure the streets are safe for all.

DEADLINES has now passed and we will await details.

VOLUNTEER REQUESTS: Hatton Park school are looking for volunteer wardens for the 30mins on each side of school day, if you are able to assist, please do contact the school office. It would be great to get further support from the community.

NORTHSTOWE SECONDARY COLLEGE – SIXTH FORM PROVISIONS

Approval for the next phase of Northstowe Education Campus at CCC Children & Young People's Committee - 1 March 2022

Agenda Item 7: to approve the direct award of the design and construction contract for Phase 2 of the Northstowe education campus to Kier construction and the supporting consultant team.

An extract from the report:

1.8 There is now a need to commission the next phase of development of the Education Campus. The project budget for Phase 2 allocated in the 2022/23 business plan is £21m.

The brief is currently being developed with the Trust and wider stakeholder team but will broadly comprise the following:

- Provision of a Post 16 centre through extension of the main (Core) block
- Expansion of secondary school to 8 forms of entry (FE) including repurposing of
- existing general teaching to specialist teaching
- Provision of a 3FE (630 place) Primary School on land adjacent to the Area Special School

Cllr Firouz Thompson's statement at the committee:

Apologies as I am unable to attend the committee meeting today as a regular member, I have asked Vice-Chair Cllr Maria King to read out the following statement on my behalf:

I would like to STRESS that I am delighted to see the design and construction contract for Phase 2 of the Northstowe education campus on the agenda today.

It is essential that Northstowe Secondary College's post 16 building is ready for September 2024 opening, to ensure that the current Year 9s can seamlessly continue their education.

I understand from our officers that there was a review of the overall demand for post 16 places that was undertaken across the Cambridge Partnership area (Cambridge City, South Cambs and East Cambs), though not Northstowe specific the additional capacity was required across this area by 2024. This was to be provided by the opening of post 16 provision at both Northstowe and Cambourne. The review I refer to was approved by CYP Committee previously.

In the new era of rising inflation - forecast to peak near 9% this year in the construction industry, there is a stronger case for direct award as a greater benefit may accrue to the authority from being able to conclude design packages, secure supplier and fix prices at the earliest opportunity.

Having spoken recently to Northstowe Secondary School, it was highlighted that they are also getting tight for teaching classrooms as they are filling up rapidly, so 2024 completion date is essential to accommodate the increasing numbers of pupils.

I would ask the Committee to vote for this agenda item and thank in doing so.

Pleased to announce that the above was approved unanimously which is fantastic for our community

Link to report - Agenda item 7: <https://cambridgeshire.cmis.uk.com/.../Docum.../Default.aspx>

Link to Video, please start at 1:03:51: <https://www.youtube.com/watch?v=c-6rgZa-x2k>

OVER DAY CENTRE BIKE RIDES – SECOND STARTING POINT FROM NORTHSTOWE

Over Day Centre is pleased to announce that for the bike rides this year, they have added Northstowe as a starting point on Sunday 12 June 2022

This means that there will be two starting points, one in Over and one in Northstowe.

Rides are:

🚴 Challenge – marked 50miles

🚴 Have a go – marked 20miles

🚴 Family and casual riders – marked 6mile, 8.5mile or 14.5mile

👷 VOLUNTEERS: for Northstowe to stage this aspect of the ride, we need the following

- ◆ 2 x registration helpers, incl. rider briefing (hopefully a few more would help to break up the day)
- ◆ 1 x Marshal for the busway / Willingham Road crossroad
- ◆ 1 x Rider sweeper, to ride behind riders

If you are able to volunteer for any of the above, please contact Cllr Firouz Thompson.

These cycle rides will raise valuable funds for the Over Day Centre. with lockdowns the Centre was closed, with no client income, but managed to keep its head above water thanks to assistance from

Government and SCDC. Funds from the bike rides will greatly help the Centre to provide again the high quality and level of service provided to clients not just from Over but also from other villages in South Cambridgeshire.

<https://www.overdaycentre.co.uk/> Registered Charity No: 800829

Be amazing if you could show your support for this great cause either by volunteering or taking part in rides (entries will open soon).

STAGECOACH QUARTERLY MEETINGS

Notes from Quarterly meeting on 3 March:

Update on Business

- 60% (of pre covid) of their fleet is now running, they need the other 40% back
- Govt funding is critical to support them whilst customer number rise, they have just been awarded another 6 months
- Capacity restrictions now lifted, more buses added to feet to cope with peak demands, extra 6000 miles a month, but they need more
- Driver shortage now much improved, only two down
- Good team in place, working hard to deliver services in a challenging environment
- Electric buses not suitable for busway, as they cannot reach the high speeds, but they are working to decarbonising by 2035. EV buses are approx. £500k compared to £170k diesel

Fares/Tickets

- Flexi tickets zone now extended to Bar Hill, so residents can use them on the number 5 bus to get to Tesco for their shopping
- Ticket prices have been reduced since 4 January 2022
 - 92% of customers pay less or the same as they did - daily travel now from £2.94
 - Flexi 5 and 10 introduced across the East, not available at machines and smart cards, exclusive to Bus App on Smart Phones (stated: 90%+ own a smart phone). Best value fares are via app
 - New youth tickets for under 19s and full-time students with valid Id. Ticket prices at 33% less than adult prices
 - Reduction in 95%-day rider prices – great days out for less
 - Cambridge Town flexi tickets will reduce in price and continue to be valid along the Busway as far as St Ives bus station
 - Return fares are not available, focus now on value daily tickets
 - Weekend family rates 2.4 children approx. £8.40
- Tap on/Tap off like London, is being trialled in Leicester and Wales, also looking to QR codes

Timetable

- Timings for guided bus to North Cambridge, there are difficulties with aligning bus timetables to meet with train times. Train times change 3x a year and this is not aligned with the way Stagecoach run their timetable.

- Service to start at Longstanton at AM peak will be considered when client numbers will start to increase.

Northstowe specific

- Phase 1 bus stops by 2024, Phase 2 travel packs in progress
- Regular community engagement, resident session
- Monthly meeting with Prajina Baisyet – Travel Plan Plus Manager

Other

- Cllr Firouz Thompson will look to invite Over and possibly Histon to these quarterly meetings – all villages along the busway
- Cllr Firouz Thompson will assist Stagecoach in promoting buses on local FB pages, Stagecoach marketing team to get in touch.
- Next meeting – calendar invite sent for **9 June 2022**, Cllr Firouz Thompson to share invite with Parish Clerk and Chair to nominate a Cllr to attend.

COUNTY WIDE NEWS

COVID-19

Covid precautions in England were removed on Thursday 24 February. People with Covid are no longer legally required to self-isolate, and the £500 payment for some people on lower incomes has also ended. Statutory sick pay and employment support allowance will start to be paid after four and seven days of absence, rather than immediately. Routine testing for pupils and staff in schools has ended, with the exception of special schools. Free lateral flow and PCR tests will end from 1 April, with very few exceptions.

Vaccinations: the roll out of vaccinations for 5 to 11 year olds will begin from 31 March. Advice at this point is that children will be vaccinated in pharmacies and mass vaccination centres rather than in primary schools. Mobile vaccination centres are still in operation—see the schedule at <https://www.thevaccinators.co.uk/>

General Covid information

<https://twitter.com/CambsCC>

<https://www.nhs.uk/conditions/coronavirus-covid-19/coronavirusvaccination/coronavirus-vaccine>

HOLIDAY ACTIVITY & FOOD IN CAMBRIDGESHIRE

Enriching experiences and a nutritious lunch are being made available in the Easter holidays for the children of families receiving benefits-related free school meals.

The Holiday Activity and Food (HAF) programme offers fun with friends and free food for primary and secondary school children in Cambridgeshire. Sessions will include a healthy meal, a variety of exciting

activities or sports and the opportunity to socialise with other children. Any child receiving benefits-related free school meals is eligible for the programme.

Funded by the Department for Education (DfE) for the next three years, the HAF scheme enables councils like Cambridgeshire to coordinate free holiday childcare and enriching experiences locally. The programme will be delivered by approved providers, and co-ordinated locally by Cambridgeshire County Council.

Each eligible child will be able to access up to 16 hours of free holiday childcare or enriching experiences through the school Christmas holiday period. Bookings have already opened and information about how to book with participating providers can be found at www.cambridgeshire.gov.uk/haf

As part of the HAF programme, eligible children will be able to access:

- Fun and enriching play opportunities or new experiences that provide children with new skills and knowledge.
- At least one meal a day.
- Guidance on healthy eating and getting children involved in food preparation and cooking.
- Support for parents, carers or other family members with guidance on how to source, prepare and cook nutritious and low-cost food.
- Information and signposting to other services and support which might be helpful.

The Council is working with local schools, voluntary and community organisations, and childcare providers to deliver the HAF programme. <https://www.cambridgeshire.gov.uk/news/holiday-activities-and-food-programme>

Registered Holiday Scheme Providers and childminders are welcome to sign up to deliver the programme, by emailing HAF@cambridgeshire.gov.uk. It would be great to see the programme expand into some of our larger villages locally. There are 29 providers in South Cambridgeshire but none in Longstanton, Northstowe, Over and Oakington & Westwick, it would be great to have a few signed up.

HIGHWAYS

New tools have landed in the Highways community kit box, which will be welcome news for all those communities with an interest in 20mph speed limits. There are two types of 20mph schemes which can be introduced by the council – 20mph limits and 20mph zones. A 20mph limit typically covers individual or small numbers of streets and requires signs only, while 20mph zones typically cover larger areas and require both signs and markings.

The former is more cost effective, but the latter have been found to have a greater impact in reducing speed limits, especially when accompanied by traffic calming measures. The County Council Highways and Transport Committee will establish a new process for the implementation of 20mph schemes. This will allow third parties – such as parish councils - to make an application for a 20mph limit in their chosen area, with a number of schemes then progressing following a period of assessment and prioritisation.

HOUSEHOLD RECYCLING CENTRE CHANGES: COVID-19 measures at the Household Recycling Centres are being changed with effect from Tuesday 1 March. Booking requirements for all vehicles at all sites are being removed, and the number of vehicles allowed on all sites is being increased to pre-COVID levels.

There will still be 'meet and greet' staff to limit the number of vehicles on site to the sites' maximum parking bay capacity, site signage related to COVID, hand sanitiser for public use, and social distancing between site staff and visitors. Anyone who is self-isolating is asked not to attend any site. Where staff assistance is needed, materials must be removed from the vehicle by the site visitor for removal by site staff after the visitor's departure. Staff will maintain social distancing, wear gloves and sanitise after handling waste. Where practical, only one person should be on a gantry at any time except where two are required to lift bulky items.

Visits using vehicles or trailers which require e-permits will be registered by site staff on arrival at a recycling centre, as they were prior to the introduction of the booking system, with no requirement to book visits in advance.

CLIMATE CHANGE STRATEGY: An action plan setting out how and by when the council and the whole of Cambridgeshire will reach net zero has been approved by Cambridgeshire County Council's Full Council.

The impacts of climate change are being experienced in the UK and across the world. To reduce these impacts we need to cut greenhouse emissions as fast as we can and the next ten years are critical.

The council has reviewed its Climate Change and Environment Strategy and on Tuesday (8th February) the new strategy was approved by Full Council. The strategy will mobilise all parts of the council to prioritise cutting carbon emissions and building community resilience to climate impacts.

It also outlines how the council will deliver on its commitments to reach net zero, work with the Cambridgeshire and Peterborough Combined Authority's Climate Commission and district council partners, and respond to the inevitable future challenges by setting:

- A new ambition for Cambridgeshire to reach net zero emissions by 2045.
- An organisational target for the county council to reach Net Zero by 2030.
- The need for the council and others to engage, support and collaborate with communities, partners and businesses to make positive changes themselves.

<https://www.cambridgeshire.gov.uk/news/strategy-to-move-faster-to-tackle-climate-change-approved-by-full-council>

A NEW PLAN TO REDUCE THE RISK OF FLOODING IN CAMBRIDGESHIRE over the next five years has been approved. Members of the county council's Environment & Green Investment Committee agreed the Cambridgeshire Flood Risk Management Strategy and supporting action plan at its meeting on Thursday 3 March.

The council is responsible for developing, maintaining and applying a local flood risk management strategy (LFRMS) for the county. The key objectives of the strategy are: understanding flood risk in Cambridgeshire, managing the likelihood of flooding, helping residents to manage their own risk, ensuring appropriate development in Cambridgeshire and improving flood prediction, warning and post flood recovery.

Residents can check their flood risk by using the online flood maps to check whether they're at risk of flooding at <https://www.gov.uk/check-flooding>

<https://www.cambridgeshire.gov.uk/news/new-plan-to-reduce-the-risk-of-flooding-in-cambridgeshire-approved>

CAMBRIDGESHIRE COP: 80 representatives of organisations fighting the climate emergency met on Monday 28 February to kick off a year-long 'Cambridgeshire COP'. After COP26, the climate summit held in Glasgow last November, Cambridgeshire County Council leader Cllr Lucy Nethsingha was inspired to bring together countywide organisations to share information on Cambridgeshire's current position in the race to net zero.

Monday's webinar heard from Cllr Nethsingha, Cambridgeshire & Peterborough, Mayor Dr Nik Johnson, and Cllr Pippa Heylings who sits on both the Local Government Association Climate Board and South Cambridgeshire District Council. Cambridgeshire's Lord Lieutenant Julie Spence was also in attendance and read a message of encouragement from Prince William Duke of Cambridge.

The event included four group discussions on increasing biodiversity, developing sustainable transport, changing heating and housing options, and dealing with waste. A range of local events and activities will take place throughout the year. These will include a biodiversity in May, to mirror the international national biodiversity conference in China; activities led by youth groups in June to coincide with the pre-COP27 discussions in Bonn; and a two week series of activities across Cambridgeshire 7-18 November to coincide with COP27 in Egypt.

LOCAL FLOOD RISK MANAGEMENT STRATEGY: The revised local flood risk management strategy is expected to be approved by the council's Environment & Green Investment Committee on Thursday 3 March, having completed its public consultation and been amended in the light of residents' and councillors' comments.

HAVE YOUR SAY ON PROTECTING COUNTY'S HERITAGE

Love your local heritage? Here's your chance to have a say and help us protect Cambridgeshire's local heritage.

Cambridgeshire residents are being asked for their views on which local buildings, structures, archaeological sites and landscapes they value, and feel are important to the character of their local areas, as part of a new Local Heritage Listing project.

For many years the national listing system has recognised buildings of national importance, by designating buildings as grade 1, 2* and 2. Local Heritage Lists aim to identify buildings and heritage assets which, whilst not meeting the national criteria, are important at a local level.

The project received funding from the Ministry of Housing, Communities and Local Government (now the Department for Levelling Up, Housing and Communities) which invited councils in England to create pilot projects for Local Heritage Lists in their areas. Cambridgeshire's joint bid was one of the 22 successful projects to secure funding.

A new website has been launched (<https://local-heritage-list.org.uk/cambridgeshire>) with guidance on how you can get involved in the initiative and nominate buildings and archaeological sites to be considered for the Local List, which will recognise their importance and help preserve them.

ETHICS & BEHAVIOUR AT THE COUNTY COUNCIL

You may be aware of 'Farmgate' whereby an independent investigation concluded that the former Cambridgeshire County Council deputy leader breached the Council's Code of Conduct in six different areas. Ex-Councillor Hickford failed to treat Officers and others acting on behalf of the Council with respect; used a bullying manner in order for the Council to pay for works that would otherwise be the responsibility of the tenant. He also used a bullying manner in order to set the terms of the lease for Manor Farm. He compromised Officers and others' impartiality in his dealings with regard to Manor Farm and his conduct towards Officers and others and his conflict of interest would have reduced the public's confidence in him being able to fulfil his role or the Council being able to discharge its functions.

He also used his position as Deputy Leader to receive concessions that the Council would not otherwise have agreed to and failed to register a disclosable pecuniary interest (the tenancy of Manor Farm) within 28 days and he failed to declare a non-statutory disclosable interest in meetings with regard to County Farms matters.

The recommendation also included taking up the issue with colleagues in councils across Cambridgeshire to improve standards of behaviour in public life more widely.

<https://www.cambridgeshire.gov.uk/news/investigation-finds-former-deputy-leader-breached-code-of-conduct>

COUNTY FARM ESTATE

Cambridgeshire County Council has been advertising for new tenants for seven council-owned farms, part of the council's 33,000 acre rural estate. The council's estate – the largest public sector estate in the country – is divided into 226 holdings, with 160 different tenants. The seven farms up for application, 1,800 acres in total, are in South Cambridgeshire, Fenland and Littleport. Interest is high, with 67 viewings booked by mid-February.

The estate brings in £5M in rent to the county council each year, to support local services. It contributes to the local economy, enables the council to put its environmental commitments into practice, and ensure public access to the countryside with permissive paths and bridleways.

The council is looking for innovative, entrepreneurial applicants with new ideas for developing their own businesses on the land. These could well be arable or livestock farming, but there are also opportunities for ancillary enterprises such as livery, farm shops or engineering.

Applicants will need to demonstrate that they have the necessary skills and a viable three-year business plan and budget. They will also need to show that they understand the council's expectations for the farms' estate, and in particular are keen to farm in step with nature and do their bit to help tackle climate change and increase biodiversity.

Interviews will take place this month, and tenancies will be ready to take up from October onwards. The council has published a brochure about this opportunity, <https://www.cambridgeshire.gov.uk/business/business-with-the-council/rural-business-opportunities>

CHILDREN & YOUNG PEOPLE

HOLIDAY VOUCHERS AND HOUSEHOLD SUPPORT: The council's Children & Young People Committee approved at their meeting on 1 March to continue the supermarket voucher scheme for 2022/23 for eligible families, on the same basis as in the current financial year. This will cost around £3.6M and will operate alongside the Holiday Activity and Food Scheme which will also continue to run in the coming year.

SPECIAL NEEDS PROVISION: During Covid-19 Cambridgeshire has seen an unprecedented increase in the numbers of children with special educational needs and disabilities who require a specialist placement. As of 8 February, 211 children in Cambridgeshire had an Education Health and Care Plan requiring placement in a special school or specialist provision attached to a mainstream school in the near future. This includes pupils who have moved into Cambridgeshire. These pupils are either currently on roll in a mainstream school or receiving tuition packages of alternative provision.

The council is proposing to commission new and additional places to meet this need through appropriate specialist educational provision across Cambridgeshire. On a wider, strategic scale, officers are also mapping future demand in order to develop sustainable specialist provision for the future.

Proposals include expansion of existing Area Special schools, creation of dedicated provision attached to mainstream schools, and more efficient use of independent providers through negotiation of block contracts.

YOUNG PERSON'S MENTAL HEALTH HUBS: Calls to open new Young Person's Mental Health Hubs across Cambridgeshire have been unanimously approved by county councillors. An early support hub is a mental health and wellbeing hub that provides open access, flexible, early support in their communities for young people aged under 25. The centres bring together various services to support young people's mental health and emotional wellbeing such as youth services, sexual health and drug and alcohol services, and health and wellbeing and mental health practitioners. The aim is to provide support before young people reach crisis point, with the hubs accessed without the need for referrals from doctors or schools.

THINK COMMUNITIES MARCH NEWSLETTER

Please find a link here to Think Communities March Newsletter from the South Cambs Think Communities place team. It is brimming with useful information and we hope that you find it interesting - <https://sway.office.com/rgwDDOQxbSdfYFNx?ref=Link>

Topics covered this month are:

- Free courses for communities from Living Sport, CCVS, WEA
- Support Cambridgeshire Funding Week – 14-17 March – 4 days of funding advice
- Loneliness and Isolation
- Emergency Food Leaflet
- Wild Minds – New Course and Job Opportunity
- Community Connectors

If you have a problem or concern do not worry too much about who can solve it just ask the question and we will endeavour to signpost to the right person. The organisational structure of Cambridgeshire is complex, but it is important to identify where responsibility lies.

<p>County Council</p> <p>Responsibilities: Education, Transport, Highways, Heritage, Social care, Libraries, Trading standards, Waste management, Maintaining their estate.</p> <p>Some of these services are shared between Peterborough City Council and Cambridgeshire County Council but any concerns should be directed to the county council.</p>
<p>District Council</p> <p>Responsibilities: Council tax payments and benefits, Household bin collections, Housing and housing benefits, Council leisure facilities, Environmental health, Residential planning.</p>
<p>Parish/ Town Council</p> <p>Responsibilities: Looking after community buildings, Open spaces, Allotments, Play Areas, Bus shelters.</p>
<p>Greater Cambridge Partnership (GCP)</p> <p>'The local delivery body for a City Deal with central Government worth up to £500 million over 15 years, to vital improvements in infrastructure (decarbonising transport), supporting and accelerating the creation of 44,000 new jobs, 33,500 new homes and 420 additional apprenticeships.'</p> <p>Partnership between Cambridge City Council, Cambridgeshire County Council, South Cambridgeshire District Council, University of Cambridge.</p>
<p>The Combined Authority, Cambridge and Peterborough, our elected Mayor</p> <p>'A combined authority (CA) is a legal body set up using national legislation that enables a group of two or more councils to collaborate and take collective decisions across council boundaries.'</p> <p>What our mayor does – Business support, skills, housing, transport, environment, international, digital connectivity, resilience, research, and strategy. New homes.</p>
<p>Police and Crime Commissioner, Cambridge, and Peterborough</p> <p>To support and challenge the Chief Constable to provide effective and efficient policing services for the area.</p>
<p>Cambridgeshire and Peterborough Fire Authority</p> <p>The Fire Authority is the governing body responsible for delivering a fire and rescue service to Cambridgeshire and Peterborough. It is made up of Cambridgeshire County Councillors and Peterborough City Councillors.</p>
