

## **Northstowe CDOs Report for March 2024**

### Northstowe Community Forum 2024

The next Forum will be Wednesday 8 May. The drop-in session will start at 6:30pm and the presentations at 7pm.

### Northstowe Community Networkers

The groups are making preparations for the Midsummer Festival on 22 June and Light Up Northstowe on 23 November.

The CDOs have been approached by a resident with a proposal to create a WhatsApp channel where all groups can advertise their activity and future events. All Northstowe groups will be able to designate a representative to act as admin on the new channel. The CDOs have connected the resident with Northstowe Hub to develop this further.

### Raised Beds at The Cabin

We are working with Northstowe Hub to design the planting for the two raised beds in the back garden at The Cabin. There have been two workshops: one with residents and one with the youth group.

### Menopause Café

Plans are continuing for a menopause café at the Cabin. We are discussing how and when it could be run. It will mainly be a 'Get together group' but will hopefully have guest speakers at a later date.

### Western Park Pavilion Activation Event

We are working with Elite Sports to hold an activation event on Saturday 18 May which will showcase a range of sports activities. Timings to be agreed but please keep an eye out for more information.
