Dear Colleague

**NABMA Membership Renewals 2024/25 – A Special Offer**

It will soon be time for your membership renewal for 2024/25.

As normal, as we head to the end of a financial year, NABMA is prepared to offer you the opportunity to pay your renewal for the next financial year, in this instance 2024/25, in the current financial year at the rate charged for 2023/24. Many members like to take advantage of this offer to utilise underused funds from the current year. If you wish to take up the offer, then please email [marina.atherton@oswestry-tc.gov.uk](mailto:marina.atherton@oswestry-tc.gov.uk) who will arrange the appropriate invoice.

NABMA membership going forward has never been so important as we all experience the difficulties facing our high streets and the national funding of local government. For some the future presents opportunities as they benefit from government and external support. For many others, the future is much more challenging. Regardless of where you stand at the crossroads then you can be assured that NABMA will be representing the best interests of all our members.

At the time of membership renewal, it is a good time to remind Elected Members of their corporate, strategic and operational responsibilities and the role, importance and influence of markets and their impact that can assist within many community and policy strategies. And finally, as we approach a new financial year:

1. Do we have the correct contact details for your council/organisation in our database? Please update your contacts.
2. In 2024/25 we will have a focus on attracting more Elected Members to NABMA. Please forward us the email contact details for your Markets Portfolio Holder or Chairman so that we can share our NABMA information and news direct with them.

Yours sincerely
