Hello,

I hope you are well today.

The Care Together team would like to hear your views on our new approach to day opportunities for older adults (65+) in Cambridgeshire.

An approach has been developed from what people have already told us, but we need to make sure we have considered all the possible affects this might have on people.

Please give us your views via our formal consultation <https://consultcambs.uk.engagementhq.com/a-new-approach-to-day-opportunities> and please do share this information widely. You may wish to include it on your village Facebook page, newsletter and noticeboard.

I would be happy to deliver some printed copies of this survey for distribution on request. Printed copies will be accompanied by a prepaid return envelope.

Kind regards

Leneva Nwachukwu
