Introductions

QC welcomed representatives from Longstanton Parish Council to the meeting and provided a rapid summary of the project to date.

Actions Arising

QC to pursue donation of snowplough	Ongoing
QC/SC to follow up possibilities with school	See below
LPC/NTC to comment further if so required	Complete
QC to provide draft agreement	Done
QC to contact LPC Clerk to arrange a meeting	Ongoing

Exhibition Update

QC/SC had further visited the Learning Community and had very productive discussions with Claire Mills, the head teacher, who was keen to assist. Further practical details needed to be sorted, and timetabling would be dependent on the completion of the school construction programme. Overall though it was a promising discussion.

ACTION QC/SC to follow up

Heritage Strategy

A final version of this brief was tabled and amended slightly. As LPC colleagues had not seen it previously it was agreed to give time for further consultation, also NTC. QC commented that the revised brief has removed all mention of the heritage facility so the brief may need to be revisited further should anything progress with the school.

ACTION LPC/NTC to comment further if so required

Other Heritage Assets

DH confirmed that the Paddocks were being more closely managed in line with the CMP, and therefore improvements should be seen in due course.

LDHS Storage & Other Issues

LDHS acknowledged the offer of support and requested sight of the grant agreement for their consideration.

ACTION QC to provide grant agreement

AoB

LPC colleagues raised the issue of outstanding queries around the original project. QC explained that that was outside the remit of this group but repeated an offer to meet with LPC explain further.
