NORTHSTOWE
TOWN COUNCIL

Northstowe's first Town Clerk!

- To be able to coordinate everything the council is doing, we needed an extremely competent town clerk, proper officer and RFO – and we found one!
- We employed Mark Nokkert to this post in August 2021.
- As Northstowe grows, the responsibilities of our town council will grow with it, and we will need to employ more staff to handle:
 - Building management
 - Sports facility management
 - Event and market planning
 - Taking on open space maintenance
 - ...and much more!

This will be a gradual process over the next few years.

What's Next?

The next few years will be critically important for Northstowe, and the Town Council will have a huge role to play and decisions to take:

- First retail land being developed (next to the Green)
- Town Centre development starting
- Community facilities being built (Pavilion, Community centre, Civic Hub).
- The First Northstowe Market – coming later this year!

As our town grows and people start moving into Phase 2, ensuring there are activities and support for all our residents in Northstowe and Rampton Drift will be crucial.

Elections 5th May 2022
