YOUTH CLUB FROM A VAN

A letter

IT WAS SOMETHING TO LOOK FORWARD TO!

- “The connections bus project has offered us as young people a chance for a consistent meet up which gives us a sense of routine and something to look forward to. The facilities the bus/van provides include fun equipment and experienced volunteers who are always so lovely and happy to chat to you about any issues we may have.”

PLEASE FUND MORE YOUTHWORK

- The other young people and I would like to propose that we as a new town invest into bringing the connections bus project back to Northstowe. It was an amazing opportunity to meet the other young people of Northstowe and we are all very disappointed that it has now finished.

We need somewhere sheltered to hang out

- We were so disappointed about it's end that we are still deciding to meet up at the park each week but as you can imagine, the weather conditions are becoming unsuitable for us to hang out outside and we would really love somewhere slightly more sheltered to hang out.
